Additional Information / Prior Funding History:

None. SAFETEA-LU Earmark. Local match required.

Project Description/Justification:

This project will establish a permanent inland route that is less susceptible to flooding and erosion and will also enhance the community link between Barrow, Browerville, and the Navy Arctic Research Laboratory. The North Slope Borough has estimated the cost of the project will be approximately \$12,000,000.

Upon project completion, operating and maintenance will be handled by the North Slope Borough.
