Additional Information / Prior Funding History:

FY2006 - \$5,000,000 GF.

Project Description/Justification:

The Kenai Spur Highway connects the Cities of Soldotna and Kenai and starts as a four-lane road from each end but narrows to a two-lane road in the middle section. Traffic congestion continues to increase on this road with daily averages peaking around 10,000 vehicles. The \$4,000,000 request will supplement the already appropriated 2006 GF money to fully fund the project.
