**Additional Information / Prior Funding History:**

FY2006 - \$11,000,000 GF.

**Project Description/Justification:**

The 2006 capital budget included \$11,000,000 to partially fund the rehabilitation of Kalifornsky Beach Road from its intersection with the Sterling Highway to the Kenai Bridge Access Road. It will widen shoulders at the busiest and most developed areas of the road from Sterling Highway to Milepost 4.3 and from Milepost 11 to Bridge Access Road leaving the center section unimproved. This \$4,000,000 request will be needed to resurface the failing two-lane portion of the old road between the widened sections at each end.
