

Alaska Marine Highway: Terminal - Syncrolift Controller Modifications

FY2007 Request: \$400,000
Reference No: AMD 42041

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Statewide

Contact: Robin Taylor

House District: Statewide (HD 1-40)

Contact Phone: (907)465-6977

Estimated Project Dates: 07/01/2006 - 06/30/2007

Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

This is a new FY07 Capital Budget Request. Ferry terminals in Whittier, Valdez, Haines, and Wrangell are fitted with four different types of Syncrolift controllers. This project is to standardize the controllers. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

Ferry terminals in Whittier, Valdez, Haines, and Wrangell are fitted with four different types of Syncrolift controllers. The company that makes the controllers has been slow to respond to repairs and this project will standardize the systems and enable Alaska Marine Highway System personnel to monitor/maintain the controllers.
