Additional Information / Prior Funding History:

FY2004 - \$500,000; FY2002 - \$500,000.

Project Description/Justification:

Compliance with the Clean Water, Clean Air and Hazardous Waste Management Acts is required by federal law. Contamination and waste from historical activities and tenant operations must be remediated and/or disposed of properly, in addition to standard ongoing environmental compliance operations. Steps are being taken to reduce future pollution while past contamination is being addressed.

This request is for the remaining 3 years covered in the current operating agreement with the carriers (07,08,09).
