The Fisheries Business Tax and Fisheries Resource Landing Tax programs are funded with fisheries taxes collected by Department of Revenue (DOR). DOR retains a portion, distributing it to communities based on AS 43.75 and AS 43.77, and transfers a portion to Commerce, which distributes it per AS 29.60.450.

In fiscal year 2007, Commerce was appropriated \$1,600.0 for the program and its share of the taxes was \$3,102.9. It is anticipated that Commerce's share of the taxes will be approximately \$3,600.0 for FY08. An increment is requested so that additional taxes transferred per statute from DOR can be distributed by Commerce under this program.

Technical assistance program to provide assistance to bulk fuel tank farm operators and to address maintenance and repair issues. Technical assistance will include ongoing, facility-specific training. Technical assistance and training helps reduce long-term repair and replacement costs by extending the useful life of the facility and reduces local fuel costs by reducing fuel loss from leaks and spills.

Alaska Energy Authority provides technical assistance and training to assist utilities in maintaining its infrastructure. The same level of funding and types of technical assistance will be provided.
