

**Alaska Highway: Milepost 1269 to 1314 Rehabilitation -
Northway Junction to Tok**

**FY2008 Request: \$16,630,000
Reference No: AMD 40321**

AP/AL: Allocation

Project Type: Construction

Category: Transportation

Location: Northway

Contact: John MacKinnon

House District: Interior Villages (HD 6)

Contact Phone: (907)465-6973

Estimated Project Dates: 07/01/2007 - 06/30/2012

Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

This amendment to the FY2008 Governor's Budget adds \$3,900,000 Federal Funds for a new FY08 project total of \$16,630,000. Provide embankment repairs, drainage improvements and resurfacing at selected locations between Milepost 1269 and Milepost 1314 on the Alaska Highway, from Tok south 46 miles. The allocation also includes various wayside and pull out improvements. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

FY2006 - \$7,770,000.

Project Description/Justification:

This section of road traverses unstable soils and permafrost. The existing pavement has seriously deteriorated in numerous locations, requiring significant additional maintenance. This segment is used by all traffic transiting from Fairbanks and Anchorage to the Canadian border and the Southeast ferry system. This roadway is also critical to the development of the Alaska Natural Gas Pipeline.
