The Honorable Senator Kim Elton
Alaska State Senator
State Capitol Building, Room 115
Juneau, Alaska 99801

Dear Senator Elton:

The City and Borough of Juneau is in full support of the capital request of \$50,000 on behalf of Hospice and Home Care of Juneau (HHCJ) for purchase of Point of Care hardware and software. HHCJ is an essential service in our community and is the only non-profit offering palliative and end-of-life care. This Point of Care platform is required to be operational by 2010 and there will be training time necessary for the success of the program.

I urge you to assist this organization in maintaining federal compliance.

Respectfully,
