

Agency: Commerce, Community and Economic Development

Grants to Named Recipients (AS 37.05.316)

Grant Recipient: Bowman Elementary PTA

Project Title:

Bowman Elementary PTA - iMac Computers And Related Software

House District: 31

Funding Amount: \$ 30,000

Brief Summary:

Funding for the purchase of 30 new iMac computers to replace aging computers in Bowman Elementary computer lab.

Funding Plan:

Type of Need: Ongoing Need

Prior Funding to Date:

State contributed \$10,000 last year to help fund upgrades to the Bowman Elementary computer lab.

Other Funding Requests:

None

Project Description:

Bowman Elementary School has a very dated computer lab. Funding of \$30,000 will be used for the purchase of 30 new iMac computers to replace aging computers in Bowman Elementary computer lab. Currently they are running their computer lab with 30 eMacs, which were leased in 1998 making them over 9 years old. Five of the 30 are no longer in operation and it is no longer cost effective to repair them. In addition, the operating system and memory on these older computers cannot support the newest software thus rendering its computer lab less and less effective each year.

Grant Recipient Contact Information:

Contact Name: Darrell Vincek, Principal and
 Tina Lane, PTA Secretary
 Phone Number: 907-742-5600 (907)332-1052
 Address: Bowman Elementary School
 11700 Gregory Road
 Anchorage, AK 99516
