**Brief Summary:**

funding to help purchase iMac Computers And Related Software for O'Malley Elementary computer lab.

**Funding Plan:**

**Type of Need: Ongoing Need**

Prior Funding to Date:

State contributed \$10,000 last year to help fund upgrades to the O'Malley Elementary computer lab.

Other Funding Requests:

None

**Project Description:**

O'Malley Elementary is currently working to improve computers and software in the classrooms to allow the students to use current computer programs for reading and math. Most of the classroom computers are 7-15 years old, frequently break down, and will not run current programs that teachers are using. The funding of \$30,000 will help O'Malley Elementary to complete their goal this year for the computer lab.
