

Agency: Corrections**Project Title:**

Dental Equipment for Lemon Creek Correctional Center

House District: 80**Funding Amount: \$ 53,000****Brief Summary:**

The dental tools at LCCC are at least 30 years old and do not provide the care that the inmates need. The money requested will go towards updating the dental supplies in order to provide for more adequate and efficient care.

Funding Plan:**Type of Need: One-Time Need**

Prior Funding to Date:

None

Other Funding Requests:

None

Project Description:

The dental tools at LCCC are at least 30 years old. They are difficult to use and inefficient, requiring the contracted dentist to spend extra time servicing the inmates. This has resulted in increased labor costs and inefficient care for the inmates. Simple upgrades to these dental tools would allow for more efficient use of the dentist's time and better care for the inmates.
