Total					\$55,000	

**Detailed Project Description and Justification:**

In order to support technology integration efforts, the district needs to move towards replacing traditional computer lab space with mobile learning labs for students. Weller and Pearl Creek elementary schools' computer labs contain obsolete computers not compatible with the software run on teacher laptops.

**Project Timeline:**

Project will be completed as soon as funds are authorized.

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**
