Anchorage - Baxter Elementary School - Exterior Panel Upgrade

State Funding Requested: \$ 30,000**House District: 21 - K**

One-Time Need

Brief Project Description:

Provide caulking to exterior building surface to prevent water infiltration; protect building structure.

Funding Plan:**Total Cost of Project: \$30,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

Detailed Project Description and Justification:

Repairs are necessary to prevent damage to the structure. The exterior siding material at the upper roof soffit of the school is failing due to moisture intrusion. District maintenance has been making stop-gap repairs, however further investigation has revealed that the entire soffit should be replaced to correct this moisture intrusion problem and prevent the continued failure of the exterior soffit.
