New Computers for Computer lab	Wonder Park Elementary School	Purchase computers/projector and smart board for computer lab; improve school instructional program	\$ 45,000
--------------------------------	-------------------------------	---	-----------

Wonder Park Elementary School – New Computers for Computer Lab: This grant would purchase 35 new computers and install a new mounted projector and smartboard to be used in a computer lab classroom. These computers would be used to continue to upgrade the school's technology and permit utilization of newer software to assist the instructional program.
