Has this project been through a public review process at the local level and is it a community priority?  Yes  No

Multi-media equipment for classrooms	William Tyson Elementary School	Purchase projectors for 10 classrooms with document cameras; improve school instructional program	\$ 10,000
--------------------------------------	---------------------------------	---	-----------

William Tyson Elementary School – Multi-media Equipment for Classroom: These projectors would replace some of the aging, existing overhead projectors in 10 classrooms. These new projectors will allow for the connection and use of multi-media and computers to enhance the instructional program.
