Detailed Project Description and Justification:

Hope provides community services to Alaskan children, adolescents, adults and their families who experience disabilities. As such, we are the largest provider of services in the State of Alaska and have been in operation since 1968. At this time, Hope supports over 950 people across the state.

Hope provides a vast array of supports including, but not limited to, day rehabilitation, respite, family support and preservation, shared care, foster care, supported living, intensive active treatment, core, case management/care coordination, as well as a variety of supports to children and adolescents who experience mental illness.
