Grants to Municipalities (AS 37.05.315)

Grant Recipient: Anchorage

Project Title:

Anchorage - Edward Street Safety Upgrade - 6th Avenue to Debarr Road

State Funding Requested: \$ 3,500,000

House District: 19 - J

One-Time Need

Brief Project Description:

These funds will go towards planning and construction of safety upgrades to a major local road to urban collector standards.

Funding Plan:

Total Cost of Project: \$7,000,000

	<u>Funding Secured</u>		<u>Other Pending Requests</u>		<u>Anticipated Future Need</u>	
	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>
Local Funds					\$3,500,000	09
Total					\$3,500,000	

Detailed Project Description and Justification:

This road is the only access to Ptarmigan Elementary School. The road is narrow and pedestrian and lighting facilities are inadequate.

Safety is a strong concern because of elementary school children walking in a narrow roadway with poor lighting.

Design and Context Sensitive Solutions public involvement is underway. Additional right-of-way is required to construct pedestrian facilities and upgrade the road to urban standards. This project is the number 1 out of 23 transportation priority for the Northeast Community Council.

This project meets education, transportation, and public safety needs.

Project Timeline:

2009 Funds will be spent for the duration of the grant.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage

For use by Co-chair Staff Only:

4:25 PM 4/29/2008

PROJECT NAME: EDWARD ST SAFETY UPGRADE - 6TH AVE TO DEBARR RD

PROJECT TYPE: Safety

GRANT REQUEST: \$7,000,000

PRIORITY: 9

PROJECT DESCRIPTION:

This project will construct a safety upgrade to a major local road to urban collector standards. Improvements are expected to include pavement, curbs, pedestrian facilities on both sides, street lighting, storm drains, and landscaping. Preliminary design, partial easement acquisition, and utility phases have been funded with a combination of \$1,100,000 in local road bonds and \$300,000 from a state grant. The 2008 state grant will fully fund the project for a 2009 construction start.

COMMENTS:

Design and Context Sensitive Solutions public involvement is underway. Additional right-of-way is required to construct pedestrian facilities and upgrade the road to urban standards. This project is the number 1 out of 23 transportation priority for the Northeast Community Council.

JUSTIFICATION:

This road is the only access to Ptarmigan Elementary School. The road is narrow and pedestrian and lighting facilities are inadequate. Safety is a strong concern because of elementary school children walking in a narrow roadway with poor lighting.
