Brief Summary and Statement of Need:

Major Maintenance Grant Fund - Project #3: Kodiak Schools Seismic Mitigation. This project will provide seismic upgrades districtwide. A Seismic Vulnerability Assessment recommends structural upgrades designed to meet the intent of providing life safety reliability in the event of earthquakes. Non-structural components such as furnaces, heating and ventilation equipment, water tanks, and library bookshelves will also be braced. Federal Emergency Management Agency (FEMA) funding of \$1,403,618 that is paid directly to the community, has been considered in the project budget.
