	DPS	DOC: NOAA Fisheries	National Standards 4 and 8, State of Alaska	500.0	Coast	Provides resources to address the impacts on coastal communities due to management requirements associated with rationalization programs.
	ADF&G	DOC: NOAA Fisheries	Nearshore Fisheries Assessments	1,000.0	Coast	Develops dive fisheries as well as other new fisheries for shellfish and groundfish resources.
		ADF&G	DOC: NOAA Fisheries	Pacific Coastal Salmon Recovery	25,000.0	Southeast

State of Alaska FFY07 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY07 Request (thousands)	Region Benefited	Description
Commerce, Justice, Science	ADF&G	DOC: NOAA Fisheries	Pacific Salmon Treaty Implementation	8,000.0	Southeast	Funds Alaska, Washington, Oregon, and Northwest Treaty Indian Tribes in meeting federal obligations under the Pacific Salmon Treaty.
	ADF&G	DOC: NOAA Fisheries	Rockfish Research in the Gulf of Alaska, Bering Sea, and Aleutian Islands	1,000.0	Coast	Supports stock assessment and survey work of rockfish in Gulf of Alaska and Bering Sea.
	DPS	DOJ/OJP	Rural Alcohol Interdiction	1,100.0	Rural	To continue concentrated prevention of trafficking illegal alcohol. Troopers along with local law and community policing efforts have resulted in a 143% increase in alcohol seized.
	DPS	DOJ/COPS & Interior	Rural Law Enforcement and Equipment	2,000.0	Rural	To continue in-service training for VPSOs and VPOs. New and replacement equipment is provided as necessary. Rotate troopers into Bering Sea communities; funds would support start-up and construction costs for office/holding cell/apartment.
	ADF&G	DOC: NOAA Fisheries	Salmon Research Coordination	250.0	Coast	Assures that the State of Alaska can participate in federal programs and regulatory processes relating to the management and conservation of salmon stocks in the Columbia River basin.
	ADF&G	DOC: NOAA Fisheries	Seal and Steller Sea Lion Biological Research	3,200.0	Coast	Funds monitoring of ice seal populations in Native villages, research on the species delineation and genetics of harbor seals to understand the declines in population and provide for population restoration, and continues research into Steller Sea Lion population decline.
Science	ADF&G	DOC: NOAA Fisheries	US/Canada Yukon River Negotiation Studies	1,200.0	Western	Allows State of Alaska to monitor Yukon River salmon and provide information necessary to support negotiations between the US and Canada under Yukon River Salmon Agreement.

State of Alaska FFY07 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY07 Request (thousands)	Region Benefited	Description
Commerce, Justice	ADF&G	DOC: NOAA Fisheries	Western Alaska Salmon Stock Identification Program	2,000.0	Western	Gather information on the migration and harvest of Western Alaska salmon in order to prevent disputes in the Western Alaska salmon fishery. These resources will give those on all sides of the issue an improved common scientific basis from which to develop options for fishery management plans that protect the salmon and support those who depend on them.
Defense	DOTPF	DOD	Adak Airport Operations Improvements	4500.0	Adak	To complete necessary airport upgrading after the transfer of the Naval air station to the state.
	DMVA	National Guard	Alaska Military Youth Academy - ChalleNGe Program Galena	7,000.0	Statewide	Funds site selection, design and engineering, renovation and remodeling within an existing complex in Galena.
	DMVA	DOD	Statewide Alert and Warning System	2,070.0	Statewide	Modification of current emergency alert system, modernization of the national warning system and redesign 911 calling system.
	DMVA	DOD	Statewide Mapping Initiative	8,452.0	Statewide	This project would develop a digital map of AK, the only state without a digital map.
Energy	AEA	DOE	Capitalization of the Power Cost Equalization (PCE)	5,000.0	Statewide	The PCE Endowment fund was created and capitalized with funds from the Constitutional Budget Reserve and Four Dam Pool Project sale. Federal funding is necessary to ensure viability of power generation in rural communities.
Interior	ADF&G	DOI	Declining Species in Alaska and the Endangered Species Act	400.0	Statewide	Allows state participation in federal Endangered Species Act reviews, declining species studies, and field studies to determine mitigation measures for declining species.
	DEC	EPA	Environmental Health Response Testing and Analysis Capacity	1,500.0	Statewide	Builds routine environmental monitoring, food supply surveillance, and incident response capacity for toxins such as PCBs, dioxins, pesticides, and hydrocarbons.
	DEC	EPA	Environmental Monitoring and Assessment (EMAP): Phase 1 - Assessing Alaska's Coast and Estuaries	300.0	Coast	Expands EPA's EMAP to complete coastal assessments of key segments of Alaska's coastline before advancing to further stages of the program in the Lower 48.

State of Alaska FFY07 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY07 Request (thousands)	Region Benefited	Description
Interior	DEC	EPA	Rural Alaska Economic Analysis for Conversion to Ultra Low Sulfur Diesel Fuel	170.0	Rural Areas	Develops a cost-benefit analyses for communities confronting energy choices necessitated by new federal air quality rules.
	DEC	EPA	Seafood Testing & Biomonitoring Project	1,500.0	Coast	Funds research on mercury and heavy metal contamination in seafood as well as its affects on human health.
	ADF&G	DOI: USFWS	Yukon River Treaty Implementation & Research	4,000.0	Western	Funds State of Alaska for implementation of federal obligations under the Yukon River Treaty.
Labor, Health and Human Services, Education	ACPE	DOEd	Advance Alaska!	630.0	Statewide	Develop an employment and education portal for rural and urban hub communities.
	DLWD	DOL	Alaska Arctic Energy Construction Training Project	2,000.0	Statewide	The project trains skilled workers for energy related employment in Alaska's oil and gas development.
	DEC	DHHS	Alaska Avian Influenza Surveillance	750.0	Statewide	Purchase necessary equipment and supplies, and provide for start-up personnel costs associated with bird sample collection and testing.
	DEED	DOEd	Alaska Community Preschool Project	2,000.0	Statewide	To continue bringing parents, educators and their communities together to achieve school readiness. The project provides 5-10 contracts to model preschool programs.
	DHSS	DHHS	Alaska State Public Health Virology Laboratory Replacement	5,000.0	Statewide	Replace virology laboratory in Fairbanks to maintain and increase the state's ability to identify diseases caused by viruses.
	DEED	DOEd	Alaska Statewide Mentor Project	3,900.0	Statewide	Continued funding to address the challenges of NCLB as is relates to teacher quality and student achievement. It provides trained, full-release mentors for beginning teachers and principals.
	DLWD	DOL	Alaska Vocational Technical Center Maritime Simulator	4,000.0	Statewide	To keep pace with the needs of the maritime industry, AVTEC's simulator requires several technology upgrades. Identified industry jobs are available.

State of Alaska FFY07 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY07 Request (thousands)	Region Benefited	Description
Labor, Health and Human Services, Education	DHSS	DHHS	Bring the Kids Home	17,100.0	Statewide	The state is implementing an interconnected system to address infrastructure, treatment and programming needs of 450 - 500 kids placed in out of state residential psychiatric treatment centers. This project continues to develop necessary infrastructure to bring them home.
	DHSS	DHHS	Family to Family Initiative - Alaska	500.0	Statewide	Planning, training recruiting, partnership building and evaluation to support foster parents.
	DHSS	DHHS/CDC	Modernize Alaska's Infectious Disease Surveillance System	3,000.0	Statewide	Develop state electronic disease reporting and improve laboratory responsiveness to protect against current and ongoing infectious diseases.
	DHSS	DHHS	Nursing Workforce Development and Retention	1,000.0	Statewide	To enhance the production, recruitment and retention of nurses in Alaska.
	DHSS	DHHS/CDC	Prevention, Controlling and Reducing the Consequences of Obesity in Alaska	5,000.0	Statewide	Continued support for prevention and reduction of obesity as well as dietician training and a new school health consultant.
	DHSS	DHHS	Telebehavioral Health Project	400.0	Rural	This clinic uses high bandwidth connectivity and videoconferencing to provide necessary diagnosis and care to rural clinics. This model is being expanded from SE.
State, Foreign	ADF&G	DOS	Pacific Salmon Commission	3,000.0	Southeast	Funds the US half of the bilateral Pacific Salmon Commission, created by the Pacific Salmon Treaty, to manage Fraser River salmon stocks.
Transportation	DOTPF	DOT	Alaska Canada Rail Link	70,000.0	Statewide	Planning and other preconstruction costs to connect the Alaska Railroad to the Canadian railroad.
	DOTPF	DOT	Alaska Marine Highway Communications Systems	2,500.0	Southeast	To provide each boat with satellite internet communications to provide constant communication with the Coast Guard and AMHS headquarters.
	DOTPF	DOT	Coffman Cove Maintenance Station and Equipment	2,000.0	Prince of Wales Island	Construct a small maintenance station to support a section of highway serving new ferry terminal.
	DOTPF	DOT	Denali Park Entrance Improvements	5,000.0	Denali and statewide	Improve access to the park entrance from the Parks Highway and replace the Riley Creek Bridge.
	DOTPF	DOT	Gasline Prep: Klondike Highway Hauling Barrier Removal	4,000.0	Southeast	Reconstruction of a bridge to handle large modules as part of the gasline construction.

State of Alaska FFY07 Summary of Requests for Federal Appropriations

	State Dept	Federal Agency	Project Name	FFY07 Request (thousands)	Region Benefited	Description
Transportation	DOTPF	DOT	Gustavus Dock Replacement	5,000.0	Gustavus	Replace the existing dock with a multi-modal roll-on/roll-off marine transfer facility capable of mooring large freighters.
	DOTPF	DOT	Matanuska-Susitna Multimodal Corridor EIS	3,000.0	Mat-Su Borough	Complete EIS and preliminary design for a multimodal highway corridor in the Mat-Su.
	DOTPF	DOT	Rural Airport Lighting	11,500.0	Rural	Provide runway lighting (MIRL's) at four airports in rural communities and Precision Approach Path Indicators (PAPI's)/Runway End Identifier Lights (REIL's) for eighteen airports.
	DOTPF	DOT	Small Harbor Improvements	1,000.0	Homer, Kenai Peninsula and Kodiak	Improve harbors in Homer and Port Lions.
	DOTPF	DOT	Tok Public Lands Information Center	5,000.0	Tok and Statewide	Construct a new Public Lands Information Center in Tok in cooperation with U.S. F&WS.
