FY2009 - \$1,220,000; FY2006 - \$8,000,000.

Project Description/Justification:

The terminal apron is congested. Apron congestion will be relieved by expanding the terminal apron southward. There are currently no available aviation lease lots at the terminal apron. This project will create additional lease lots.

This will be the first stage of a multi-stage project.

This project meets the FAA discretionary funding criteria for the Economic Stimulus Package and received a high FAA national (ACIP) score. Advertising for this project is estimated to take place in April, 2009.
