

Fort Yukon: Airport Improvements**FY2010 Request: \$3,500,000****Reference No: 41727****AP/AL:** Allocation**Project Type:** Construction**Category:** Transportation**Location:** Fort Yukon**Contact:** Christine Klein**House District:** Interior Villages (HD 6)**Contact Phone:** (907)269-0724**Estimated Project Dates:** 07/01/2009 - 06/30/2014**Appropriation:** Airport Improvement Program**Brief Summary and Statement of Need:**

Resurface and include a dust palliative on the apron, taxiway and runway at the Fort Yukon Airport. Correct drainage problems, clear overgrown vegetation, and complete other improvements as funding allows. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

One-Time Startup:	0	
Totals:	0	0

Additional Information / Prior Funding History:

FY2007 - \$4,725,151; FY2006 - \$2,765,625.

Project Description/Justification:

The existing runway is now rutted, coarse and soft in some areas. Dust from the airport is considered a major health and safety concern by the community. Northern Region Maintenance and Operations has difficulty dealing with the vegetation overgrowth on the operational surfaces and drainage problems are evident during break-up and wet weather.

This request reflects an update to the engineer's estimate.
