

Rapid Reaction to Highway Safety Features**FY2010 Request: \$300,000****Reference No: 47599****AP/AL:** Appropriation**Project Type:** Life / Health / Safety**Category:** Transportation**Location:** Statewide**Contact:** Frank Richards**House District:** Statewide (HD 1-40)**Contact Phone:** (907)465-3900**Estimated Project Dates:** 07/01/2009 - 09/30/2011**Brief Summary and Statement of Need:**

Funding is needed to quickly address safety issues that cannot or should not be delayed. This would enable the regions to respond quickly and directly to relatively low-cost, but important, safety issues as they become aware of them and would not involve the time lag that typically accompanies a project through the federal process. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

Small highway safety features such as signs, chevrons, striping, flashing lights, speed indicators, etc. that can be installed without going through the federal process. The Municipality of Anchorage conducts a similar program that is very effective in providing timely responses to safety issues.
