Total	\$150,000					

Detailed Project Description and Justification:

This project will replace existing lighting with the more efficient LED lighting. Improvements may also include installation of new street light poles. Funding is proposed as a 60/40 partnership of state grants and local road bonds. The 2009 request and the local match are expected to fully fund the project for construction in 2010. Street lighting in this neighborhood does not meet current standards. This project is a priority for the neighborhood and the Bayshore/Klatt Community Council.

Project Timeline:

Construction expenditures are expected to occur in 2010.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Municipality of Anchorage
