# Anchorage - Mountain Park and Robin Hill Road and Drainage Improvements

**State Funding Requested: \$250,000****House District: 31 / P**

One-Time Need

**Brief Project Description:**

This project will construct roadway and drainage improvements in this LRSA.

**Funding Plan:****Total Cost of Project: \$250,000***There is no other funding needed***Detailed Project Description and Justification:**

Specific improvements will be identified by the local road board. This grant provides design and construction funding for priority improvements. Existing roadways are dirt/gravel with no lighting. The drainage is inadequate leading to significant flooding, glaciation and pothole problems for residents. In addition, there are road connections that have not been completed resulting in safety issues for hillside residents. This project is a high priority for the Mid-Hillside Community Council. A completed study identified problems and priorities and design work is underway.

**Project Timeline:**

Design expenditures will occur in 2010 and 2011. Construction spending is anticipated in 2011 and 2012.
