Project Description

Principal's Priority 2

The purchase of computers for classrooms. With the purchase of computers for classrooms, students and teachers will be able to use computer hardware that is up-to-date. Currently 13 of 20 classrooms do not have adequate computers to access educational programs and assist with classroom learning. Trailside's goal is to have computers in all classrooms allowing technology to be readily accessible for all students.

Benefits if Project is Funded

13 classrooms of students will not be able to access the school's computer software in their classroom with reliable hardware.
