Kenai Peninsula Borough - Kenai Central High School Auditorium Equipment

State Funding Requested: \$25,000**House District: 33 / Q**

One-Time Need

Brief Project Description:

Replace outdated equipment at auditorium in Kenai Central High School

Funding Plan:**Total Cost of Project: \$25,000***There is no other funding needed**Explanation of Other Funds:**in kind labor costs***Detailed Project Description and Justification:**

The KCHS auditorium is the only indoor facility capable of supporting touring production and musical performances and large groups of spectators in the Kenai Peninsula Borough. Much of the sound and lighting equipment was installed when the facility was constructed over 20 years ago. Some of the equipment has simply failed due to use, and some equipment is no longer compatible with the more modern equipment used by performing artists and organizations using the auditorium.

The auditorium was built to high and exacting standards and is an outstanding venue for musicians and choirs, performing artists, high school graduations, annual meetings and many more activities. Unfortunately, the equipment in the auditorium has begun showing its age after a long and productive life.

Project Timeline:

project will be completed within 18 months of authorization.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Kenai Peninsula Borough

Grant Recipient Contact Information:

Name: J. Blankenship

Address: Binkley

Soldotna, AK 99669
