Anchorage - Huffman Road Subdrain Extension

State Funding Requested: \$50,000**House District: 31 / P**

One-Time Need

Brief Project Description:

This project will address drainage issues on the northwest corner of Huffman Road and Shiloh Drive.

Funding Plan:**Total Cost of Project: \$50,000***There is no other funding needed***Detailed Project Description and Justification:**

This project will address drainage issues on the northwest corner of Huffman Road and Shiloh Drive. Inadequate drainage at this intersection is creating surface and subsurface drainage concerns. Scope is expected to include extension of a subdrain system to intercept drainage surface and subsurface water. The project has not started. Unused funding will be made available for other hillside drainage issues such as upgrading culverts along Huffman Road.

Project Timeline:

Design and construction expenditures will occur in 2010 and 2011.
