Denali Borough - Landfill Equipment

State Funding Requested: \$68,000**House District: 8 / D**

One-Time Need

Brief Project Description:

Purchase dump truck to alleviate significantly increased annual tonnage deposited at landfill as a result of growth in tourism infrastructure in Denali area.

Funding Plan:**Total Cost of Project: \$68,000***There is no other funding needed***Detailed Project Description and Justification:**

Over the last several years the actual annual tonnage has increased significantly above the original design estimates and could create problems in the near future to accommodate the volume of waste the borough landfill will be accepting. The request will alleviate short-term problems and will allow for continuance of long term planning to develop the rest of the permitted landfill property.

Project Timeline:

FY2011-2012

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Denali Borough

Grant Recipient Contact Information:

Name: Dave Talerico
 Address: PO Box 480
 Healy, AK 99743
