## Angoon - Barge Landing

**State Funding Requested: \$150,000****House District: 5 / C**

One-Time Need

**Brief Project Description:**

Ferry Terminal upgrade to provide barge landing area for the City of Angoon.

**Funding Plan:****Total Cost of Project: \$150,000***There is no other funding needed***Detailed Project Description and Justification:**

From a community standpoint we need a safe barge landing for ramp barges and barges in general for the community as well as community construction projects in the future. The way we currently get barges utilizes the ferry landing limiting the amount of weight you can bring in and the kinds of equipment that can come off the current ferry ramp. The way we currently move equipment is not deemed safe and isn't the way everyone else does it in other towns. It would make projects easier to bring in to our community. If you don't have the correct configuration for a landing craft then these won't be able to land at the current ferry dock as well as barges.

Materials estimation: Two piling dolphins approximately \$110,000 for both which would be needed to be put in parallel to existing dock which will help barges pulling up to the dock and it will help for actual barge landing. Amount of rock needed is estimated at approximately 3500 yards of rock which is estimated to cost approximately \$40 per yard for an approximate total of \$140,000. Sheet pilings would also have to be purchased to put around placement around rock. The total amount requested does not include design cost.

**Project Timeline:**

FY 11 - Planning and design and implementation

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

City of Angoon

Senator Albert Kookesh  
State Capital Building Room 11  
Juneau, Alaska 99801

Dear Senator Kookesh,

The following are a list of the projects approved and requested to be on the State CIP list for the City of Angoon:

1. Front Road Renovation \$1.1 million
2. Angoon Barge Landing \$300,000
3. Fire Truck \$200,000
4. Heavy Equipment Hangar \$40,000
5. Fire Department/Search & Rescue Siren \$5,000

These items have been added to the CAPSIS database in order of priority. If you have any questions please feel free to contact Elaine Kookesh, Grants Coordinator for assistance. Thank you for your time and effort as well as the time and efforts of your staff in helping the community of Angoon.

Sincerely,

Albert Howard  
Mayor
