	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>
Federal Funds			\$125,000	2010		
Total			\$125,000			

Detailed Project Description and Justification:

Construction of three sided floating boat shelter within the Tenakee Springs Boat Harbor. This wooden structure would provide the necessary shelter of the new Search and Rescue Boat plus providing sufficient area for the storage of various equipment and supplies to handle a SAR event.

This project was proposed and developed by the Tenakee Springs Volunteer Fire Department Emergency Services and is supported by the Tenakee Springs City Council. Public review was conducted at several City Council Meetings.

A grant application for funding has been submitted to the USDA S.E. Regional Office in Sitka.

Project Timeline:

Project time line & expenditures will depend on the outcome of the grant process.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

City of Tenakee Springs Volunteer Fire Department
