State Funding Requested: \$250,000**House District: 28 / N**

One-Time Need

Brief Project Description:

Install lighting and misc. improvements for sports field. Addresses the current inadequate lighting for the sports complex at Dimond High School in Anchorage.

Funding Plan:**Total Cost of Project: \$250,000***There is no other funding needed***Detailed Project Description and Justification:**

Request for \$250,000 - Install lighting and misc. improvements for sports field

Project:

Addresses the current inadequate lighting for the sports complex at Dimond High School in Anchorage.

Adequate lighting is needed to be able to fully utilize the sports field at Dimond High School. Currently for fall sports there are no games scheduled past 5:00pm due to darkness. Dimond is the only high school in the Anchorage bowl with an artificial field. The demand for the field is high. With adequate lighting the field use schedule could be expanded.
