Funding Plan:**Total Cost of Project: \$112,700***There is no other funding needed***Detailed Project Description and Justification:**

The funds will be used to purchase athletic equipment and uniforms badly needed for safety and Title IX requirements. This appropriation will fund new or refurbished helmets, pads and equipment for over 100 football players, two new wrestling mats and gear for girls and boys hockey, girls flag football and cheerleading.

Revenue shortfalls for school activities and the athletic department have mandated the need to seek this legislative grant in order to replace old uniforms and bring our equipment and gear up to appropriate safety standards.
