

Galena: Champion Road Erosion Protection

FY2011 Request: \$850,000
Reference No: 42955

AP/AL: Allocation
Category: Transportation
Location: Galena
House District: Interior Villages (HD 6)
Estimated Project Dates: 07/01/2010 - 06/30/2015
Appropriation: Surface Transportation Program

Project Type: Construction
Contact: Frank Richards
Contact Phone: (907)465-3900

Brief Summary and Statement of Need:

Relocate a portion of Champion Road to avoid erosion of approximately 2 miles of road that is threatened by the Yukon River. This project contributes to the Department's Mission by reducing injuries, fatalities and property damage and by improving the mobility of people and goods.

Additional Information / Prior Funding History:

None.

Project Description/Justification:

Champion Road provides access to the Federal Aviation Administration air navigation facilities and the Galena landfill. The Yukon River erosion has accelerated and is threatening the roadway. Champion Road at Beaver Creek has serious drainage problems, two of the three large diameter culverts are no longer functional.
