Delta Junction - Skid Steer Loader

State Funding Requested: \$95,000**House District: 12 / F**

One-Time Need

Brief Project Description:

Purchase skid steer loader with attachments and trailer.

Funding Plan:

Total Project Cost:	\$95,000
Funding Already Secured:	(\$0)
FY2012 State Funding Request:	<u>(\$95,000)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

The addition of a skid steer loader to our street maintenance fleet would provide multiple uses, such as street/parking lot sweeping, brush clearing and snow removal.

With the recent asphalt paving there has become the need to keep gravel off the intersections and shoulders. This is a result of tires running on the gravel shoulders. We also "sand" the intersections in the winter months to provide traction.

To extend and protect the life of the asphalt you try to minimize the amount of gravel which becomes grounded into the surface. This could be cleared with the broom attachment several times a month during the summer. The brush cutter attachment would be used to keep our right-of-ways and shoulders cleared for increased visibility and safety. The other attachments would provide for multiple applications. For transport we have included a trailer which would attach to our public works vehicle.

Project Timeline:

Obtain funding	Summer 2011
Go to Bid and purchase	Fall - winter 2011

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

City of Delta Junction

Grant Recipient Contact Information:

Name:	Mike Tvenge, City Administrator
Title:	
Address:	2288 Deborah Street Delta Junction, Alaska 99737
Phone Number:	(907)895-4656
Email:	city@ci.delta-junction.ak.us

Has this project been through a public review process at the local level and is it a community priority? Yes No
