The Anchorage Park Foundation and the Municipality of Anchorage Parks & Recreation Department are working together to address the fix-its in small neighborhood parks. In 2008, more than 1,000 community volunteers graded 53 neighborhood parks for the Anchorage Parks Report Card, a community scorecard that identifies priority repairs in the parks that affect us closest to home.

In the summers of 2009 and 2010, the Anchorage Park Foundation and the Parks & Recreation Department mobilized thousands of parks volunteers to revitalize neighborhood parks by completing community-identified fix-its. This winter, the Anchorage Park Foundation and the Parks & Recreation Department are partnering with Community Councils, park user groups and park neighbors to plan the 2011 and 2012 neighborhood park fix-its.

In the summer of 2012, the Anchorage Park Foundation and Parks & Recreation Department will work with parks volunteers to complete neighborhood park fix-its in Wolverine Park. We invite the Alaska State Legislature to join us in investing in the future of Wolverine Park and the Central community. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative.
