Cordova - Maintenance Shop Roof Extension

State Funding Requested: \$7,500**House District: 5 / C**

One-Time Need

Brief Project Description:

Cordova Schools would like to extend the roof (no walls) that would allow protection for our vehicles to park out of the weather (buses/kitchen vans/maintenance truck). It would allow the vehicles a longer lifespan and the drivers a safer vehicle to drive.

Funding Plan:

Total Project Cost:	\$9,500
Funding Already Secured:	(\$2,000)
FY2012 State Funding Request:	(\$7,500)
Project Deficit:	\$0

*Funding Details:**No history as this is a minor project.***Detailed Project Description and Justification:**

We currently have a garage/shop that houses a waste oil burner and miscellaneous supplies. I would simply like to extend this roofline enough to allow the district staff to park vehicles under a roof (no walls) allowing the vehicles to stay removed from the weather. Not only will the vehicles see a longer lifespan, but issues like scraping frost, brushing snow will become limited. I feel strongly that this roof addition will save our district considerable money. It will be a matching metal roof requiring little or no maintenance.

Project Timeline:

Install would be completed the summer of 2011. It would be a 4 week project.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Cordova School District

Grant Recipient Contact Information:

Name:	Jim Nygaard
Title:	Supt of Schools
Address:	100 Fisherman Way Cordova, Alaska 99574
Phone Number:	424-3265

Dear Kimberly Clark,

This note is to confirm that Cordova School Board has on record a motion of support, made during a regularly scheduled board meeting in support of this request for Senator Kookesh's discretionary funding.

Should you have additional questions please feel free to contact this office.

Sincerely,

**Superintendent of Schools
Cordova School District**
