## Tununak - Heavy Equipment

**State Funding Requested: \$250,000**  
 One-Time Need

**House District: 38 / S**

### Brief Project Description:

Purchase excavator for use in closing out three honey bucket bunkers currently endangering villagers' health.

### Funding Plan:

Total Project Cost:	\$250,000
Funding Already Secured:	(\$0)
FY2012 State Funding Request:	(\$250,000)
Project Deficit:	\$0

### Detailed Project Description and Justification:

The vilalge of Tununak needs new heavy equipment with which to close out three old honey bucket bunkers that currently pose a health risk to community members. These bunkers' plywood walls have deteriorated to the point that raw sewage is leaking out, presenting a serious environmental and health hazard. In future, the community will use the equipment for other projects, extending its useful life with contributions to many other community improvements.

### Project Timeline:

Funds will be expended upon receipt, and equipment put to use immediately.
