Bethel - Police Department Emergency Power Generator

State Funding Requested: \$245,986**House District: 38 / S**

One-Time Need

Brief Project Description:

Furnish emergency power generator for Bethel Police Department's new facility.

Funding Plan:

Total Project Cost:	\$245,986
Funding Already Secured:	(\$0)
FY2012 State Funding Request:	<u>(\$245,986)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

The City of Bethel has secured funds to relocate the Bethel Police Department, and is currently studying whether it is best to move into and renovate an existing facility, or to construct a new one. Either way, the Department's new home will need an emergency power generator to enable the department to serve the community during local power outages. Please see attached backup for further details.

Project Timeline:

Expenditures will occur between Summer 2011 and Summer 2012.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:
