FY2012 State Funding Request:	<u>(\$30,000)</u>
Project Deficit:	\$0

*Funding Details:**Funding provided through DNR in FY10-11, \$25,495***Detailed Project Description and Justification:**

DNR will provide 15 portable toilets and 6 dumpsters in three locations at the Kasilof River: Kasilof Beach, Coho Beach and Fisherman's road. In order to maintain this same level of service that was provided last year, including a small allowance for price increases, extra cleaning charges and possibly more units, the department believes an annual budget of \$30,000 would be sufficient to continue providing the current level of trash and toilet facilities along the Kasilof River. Current funding is available through the end of this fiscal year ending June 30, 2011.
