

State of Alaska FY2012 Governor's Operating Budget

Department of Education and Early Development EED State Facilities Rent Component Budget Summary

Component: EED State Facilities Rent**Contribution to Department's Mission**

To fund necessary maintenance and help prevent future deferred maintenance problems in the eight buildings in the state facilities rent pool and to provide leased space as required for program operations.

Core Services

- Through passage of HB 112, Ch. 19, SLA 2000, the rent structure was implemented in FY2001 to provide resources for the state facilities rent pool. The funds are utilized to improve the condition of state buildings and help prevent future deferred maintenance problems through the state facilities rent structure.
- Provides funding for leased space

Key Component Challenges

- During years of budget constraints, state buildings have not been adequately maintained, resulting in a serious and expensive deferred maintenance backlog. By implementing a rent structure, the state is able to recover statewide federal funding and other non-general funds for space occupied in state buildings.

Significant Changes in Results to be Delivered in FY2012

There are no significant changes in results to be delivered in FY2012.

Major Component Accomplishments in 2010

- Provided funds to support the state facilities rent pool and leases administered by the Division of General Services.

Statutory and Regulatory Authority

AS 37.05.570
