

State of Alaska FY2012 Governor's Operating Budget

Department of Health and Social Services Community Health Grants Component Budget Summary

Component: Community Health Grants

Contribution to Department's Mission

Provide financial assistance to non-profit organizations and local government entities for the support of community-based health programs.

Core Services

- Provide grant funds, as well as guidance and technical assistance, to grantees for training and supervision of community health aides in rural areas of the state.
- Provide grant funds, as well as guidance and technical assistance, for community-based agencies to improve access to quality health care in Alaska.

Key Component Challenges

The Community Health Aide Training and Supervision grant program addresses the challenges of turnover, recruitment and training of community health aides and community health practitioners.

Due to limited resources within the program, overall grant management and grantee site visitation will be at a minimum.

Significant Changes in Results to be Delivered in FY2012

No significant changes for FY12.

Updated Status for Changes in Results to be Delivered in FY2010

No significant changes for FY11.

Major Component Accomplishments in 2010

- Fifteen grants, totaling \$1,891.2 were awarded to tribal health organization to fund community health aide/practitioners (CHAP) training and supervision. One grant of \$12.7 could not be awarded due to unresolved issues related to sovereign immunity.
- In FY10 based on submitted grantee reports, 768 community health aides completed training and 8,178 supervisory contacts were made.
- Grants totaling \$1,350.0 were awarded to 21 community health centers and supported programs for improving access to health care by increasing service delivery for underserved populations and seniors. (The total funding was from both the Community Health Grants and the Health Planning and Infrastructure budget components.)
- One grant for \$250.0 awarded to Anchorage Project Access to manage a volunteer network of health care providers (344 physicians and 57 mid-level providers), provided needed health care to low-income uninsured individuals otherwise unable to pay for health care. 520 patients were successfully enrolled and treated through Anchorage Project Access in FY10.
