Delta Junction - Liewer-Olmstead Ice Area Septic System Repair

State Funding Requested: \$40,000**House District: 12 / F**

One-Time Need

Brief Project Description:

The septic system serving this public building has an annual freeze-up problem. Measures installed to mitigate freezing have not proven entirely successful. There is a need to open up the system to find and repair the problem or replace the septic system. Emergency professional thawing has been relied on entirely too often.

Funding Plan:

Total Project Cost:	\$46,000
Funding Already Secured:	(\$6,000)
FY2013 State Funding Request:	<u>(\$40,000)</u>
Project Deficit:	\$0

*Funding Details:**City has committed \$6,000.***Detailed Project Description and Justification:**

The septic system serving this public building has an annual freeze-up problem. Measures installed to mitigate freezing have not proven entirely successful. There is a need to open up the system to find and repair the problem or replace the septic system. Emergency professional thawing has been relied on entirely too often.
