# Kodiak Island Borough - Fire Protection Area No. 1 Emergency Generator

**State Funding Requested: \$40,000****House District: 36 / R**

One-Time Need

**Brief Project Description:**

Provide an emergency power generator and switch gear in the Bayside Fire Station

**Funding Plan:**

Total Project Cost:	\$45,000
Funding Already Secured:	(\$5,000)
FY2013 State Funding Request:	<u>(\$40,000)</u>
Project Deficit:	\$0

*Funding Details:**local funds have been set aside through local taxation within the fire service area.***Detailed Project Description and Justification:**

The Bayside Fire Station is part of the critical infrastructure of the Kodiak Island Borough, consisting of emergency equipment for fire suppression, emergency medical services, mass casualty incidents, mass decontamination, emergency communications, and a first responder shelter. The Bayside Fire Station is susceptible to loss of power during extreme weather events, natural and manmade disasters, and loss of power transmission lines or equipment. A back-up emergency generator is essential to provide continued critical services to the community.

In June of 2010 the Borough completed construction of an addition to the fire hall which included the installation of the necessary boxes, conduits, and wiring to install a new emergency generator and switch gear. This \$45,000.00 project will purchase and install a 100kw backup emergency generator and switch gear. The new equipment will be housed inside at the Bayside Fire Station and will be operated and maintained by the Bayside Fire Station.

**Project Timeline:**

purchase and installation processes will commence upon funding

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Kodiak Island Borough, Bayside Fire Station

**Grant Recipient Contact Information:**

Name:	Rick Gifford
Title:	Manager
Address:	710 Mill Bay Road Kodiak, Alaska 99615
Phone Number:	(907)486-9301
