Detailed Project Description and Justification:

The Anchorage Park Foundation and the Municipality of Anchorage Parks & Recreation Department are working together to address need for "fix-its" in neighborhood parks.

The Anchorage Parks Report Card creates a comprehensive picture of the condition of our neighborhood parks, reflecting the Anchorage community's opinions, preferences and ideas. In Fall 2011, Anchorage community volunteers evaluated 51 neighborhood parks based on 6 different settings. Parks were surveyed based on cleanliness, safety, structure, appearance, and function. Anchorage Parks and Recreation staff will use this information to strategically employ its funding and volunteer resources to better meet the needs of the Anchorage community.

In 2011, Elderberry Park recieved a D on its Report Card. In the Summer of 2013, the Anchorage Park Foundation and Parks & Recreation Department will work with parks volunteers to complete neighborhood park fix-its in Elderberry Park. We invite the Alaska State Legislature to join us in investing in the future of Elderberry Park and the downtown community. The Anchorage Park Foundation will match legislative investment in neighborhood park fix-its with volunteer involvement and generous support from the Rasmuson Foundation's Anchorage Parks Initiative.
