*Funding Details:**No funding history***Detailed Project Description and Justification:**

Grounded in a post-secondary partnership with the University of Alaska, Statewide, Alaska Middle College School will provide Mat-Su Borough students with a secondary school option to complete their high school diploma (grades 11-12) on a college campus, with a curriculum ensuring college/career readiness, and the outcome of an Associate's degree. Alaska Middle College School will ensure each student is academically ready prior to enrollment in college courses. The student population will match MSBSD geographic area as well as the overall demographic outlook. Students will benefit by learning the skills and acquiring the knowledge necessary to make their transition to college seamless and successful. The union of high school and early college provides a coherent, economically feasible program that will afford the opportunity for students to realize post-secondary educational goals.
