Delta Junction - Delta Community Library Heating System Repair or Replacement

State Funding Requested: \$25,000**House District: 12 / F**

One-Time Need

Brief Project Description:

The heating system has not worked as it should since installation in 2004. The city has had four professional heating companies work on the system, including the initial installer, to no avail. Something is causing the boiler to malfunction resulting in loss of heat and multiple emergency repairs each winter. A remedy must be found before we lose the building to freeze-up damage.

Funding Plan:

Total Project Cost:	\$30,000
Funding Already Secured:	(\$5,000)
FY2013 State Funding Request:	<u>(\$25,000)</u>
Project Deficit:	\$0

*Funding Details:**City has committed \$5,000***Detailed Project Description and Justification:**

The heating system has not worked as it should since installation in 2004. The city has had four professional heating companies work on the system, including the initial installer, to no avail. Something is causing the boiler to malfunction resulting in loss of heat and multiple emergency repairs each winter. A remedy must be found before we lose the building to freeze-up damage. In order to eliminate emergency repairs and unnecessary fuel expense, reworking or existing system to change control system and replacing or repairing necessary parts will be considered as well as replacing much or all of the existing system.
