Anchorage School District - Campbell Elementary School Touch Technology Mobile Lab

State Funding Requested: \$18,250**House District: Anchorage Areawide (16-32)**

One-Time Need

Brief Project Description:

Technology equipment and tablet devices that are sanctioned on the ASD approved technology list.

Funding Plan:

Total Project Cost:	\$18,250
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	<u>(\$18,250)</u>
Project Deficit:	\$0

*Funding Details:**For project detail please refer to attached document.***Detailed Project Description and Justification:**

Campbell Elementary is requesting grant funding for an additional touch technology mobile lab. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Student will be more engaged in their learning and more motivated to achieve and therefore, will make larger academic gains. They will have greater access to the wide variety of online instructional tools available with this technology. They will have tools with which to easily access ASD's interventions in math (MathWhizz) and reading (Lexia), and close the achievement gaps.

This request was developed at the school level, reviewed by District technical staff and endorsed by ASD leadership. All requests have been shared with the School Board.

Project Timeline:

Funds will be expended during the life of the grant.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Anchorage School District

April 27, 2012

The Honorable Sean Parnell
Governor of Alaska
State Capital
Juneau, AK 99801

Dear Governor Parnell:

As President of the Campbell Elementary PTA I am writing to ask that you support the following capital budget grants for Campbell Elementary School:

- Campbell Elementary School Touch Technology Lab - \$18,250
- Campbell Elementary School Library Materials - \$10,000

These modest requests will provide significant educational returns for the money and help keep our children interested in learning both in the classroom and outside of school.

The Touch Technology Mobile Lab will allow students greater access to a wide variety of online instructional tools which will help keep them engaged in learning and make sure they are prepared to utilize new technologies of the future.

Funding for the library materials will give children greater in-school and after-school access to a wide variety of high-interest books that will encourage their learning in science, social studies and other topics essential for educational success.

I thank you for your strong support of education throughout your career of public service and ask that you allow these funds to remain in the budget as a prudent investment in our children's future.

Sincerely,

A handwritten signature in blue ink, appearing to read "Angela McCoshum", is written in a cursive style.

Angela McCoshum, President
Campbell Elementary PTA
