State Funding Requested: \$20,000**House District: Mat-Su Areawide (13-16)**

Future Funding May Be Requested

Brief Project Description:

Health and safety upgrades to dining hall and kitchen of Camp Togowoods' Bailey Lodge.

Funding Plan:

Total Project Cost:	\$20,000
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	<u>(\$20,000)</u>
Project Deficit:	\$0

Detailed Project Description and Justification:

Bailey Lodge, on the shore of Three Mile Lake near milepost 11 on Knik Goose Bay Road, is log constructed. It dates from the early 1960's. The Bailey Lodge kitchen needs an additional 1,200 square feet for upgrade of food storage from a poorly lighted basement to storage-at-elevation of kitchen with proper electricity, lighting, and ventilation with floor to ceiling shelving. The extension will also accommodate commercial refrigeration to replace residential refrigerators that currently dominant the dining room.

It is the expectation that a State of Alaska grant, dedicated only to the purchase of construction materials, will serve as a catalyst for other revenue and/or in-kind gifts from businesses, service clubs, and individuals with whom Girl Scouts of Alaska enjoys collaboration. Additionally, Camp Togowoods has well-established relationships with skilled tradesmen of the Mat-Su Valley who have again pledged to donate labor.

Project Timeline:

Current project timeline suggests construction would begin at the end of summer camp, late August 2012.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:
