Telida Village - Energy Stoves Biomass Pilot Project

State Funding Requested: \$25,000**House District: 6 / C**

Future Funding May Be Requested

Brief Project Description:

This is a pilot project to determine the potential value to rural residents of Energer brand biomass stoves which serve three purposes. They provide direct space heat, serve as a cook stove, and produce electric power.

Funding Plan:

Total Project Cost:	\$25,000
Funding Already Secured:	(\$0)
FY2013 State Funding Request:	(\$25,000)
Project Deficit:	\$0

Funding Details:

N/A

Detailed Project Description and Justification:

The Project will consist of purchase and testing of three Energer brand stoves to determine whether or not they will serve to reduce fuel and electrical consumption. They will be dispersed into three separate locations in District 6 and will be tested utilizing identical testing criteria. Results will be compiled and scientifically compared to produce a report that will provide the desired data which, among other things, will include fuel consumption, heat and electrical production, usefulness for its advertized purposes, servicability, etc. according to criteria that will be included in the contract.

Project Timeline:

Purchase of the stoves will occur in July of 2012 and the testing and reports will be complete by December of 2013.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Telida Village Council
