This amendment to the December 15, 2011 Governor's FY2013 capital budget adds \$69,972 general funds for a new requested total of \$853,165 due to the most recent updates on the December 20, 2011 Capital Improvement Projects, Major Maintenance reconsideration list. This is the #2 project on the list. This project completes the replacement of the heating system at the 14,749 square foot facility that was built in 1980. It will provide a new boiler module, boilers, and direct digital controls; and replace the forced air furnaces with a new hydronic heating system. The capacity of the electrical service will be increased to solve a major code deficiency and safety hazard.
